Timothy C. Hart, Ph.D.

CONTACT INFORMATION

Department of Criminology and Criminal Justice
Plant Hall – Science Wing Room 255
401 W. Kennedy Blvd
Tampa, FL 33606
thart@ut.edu

HIGHER EDUCATION

University of South Florida, Ph.D., Criminology, 2006

Dissertation: *Respondent Fatigue in Self-Report Victim Surveys: Examining a Source of Nonsampling Error from Three Perspectives*
Chair: Thomas Mieczkowski, Ph.D.

University of Memphis, M.A., Criminal Justice, 1997

Thesis: *Issues in Juvenile Justice: Attitudes and Question-Order Effect*
Chair: David Forde, Ph.D.

University of Florida, B.A., Criminal Justice, 1992

University of Florida, Undergraduate Certificate in Environmental Studies, 1992

ACADEMIC POSITIONS HELD

2021 –	Associate Professor of Criminology University of Tampa Tampa, FL
2018 – 21	Assistant Professor of Criminology University of Tampa Tampa, FL
2013 – 18	Senior Lecturer Griffith University Australia
2012 – 13	Associate Professor University of Nevada, Las Vegas Las Vegas, NV
2006 – 12	Assistant Professor University of Nevada, Las Vegas Las Vegas, NV

AREAS OF SPECIALIZATION

Applied Statistics and Quantitative Methods
Geographic Information Systems (GIS)
Survey Research
Criminal Victimization

COURSES TAUGHT

Research Methods in Criminology (U/G)
Statistics in Criminology and Criminal Justice (U/G)
Crime Analysis and Crime Mapping (U/G)
Campus Crime (U)
Measuring Crime and Justice (U)
Survey of the Criminal Justice System (U)
Criminological Theory (U)
American Court Systems (U)

IMPACT OF RESEARCH OUTPUTS

GRANTS/CONSULTANCIES – FUNDED

Identifying Racially Disparate Outcomes in Crime Risk Estimation, Developing and Implementing Mitigation Strategies, and Evaluating their Effectiveness
With Chivon Fitch, Ph.D., and Nathan Coneally, Ph.D.
Funding Source: National Institute of Justice (NIJ) (Submitted, 2023)
Amount: $784,565USD

Impact Factors of Criminology/Penology Peer-Reviewed Journals: A Closer Look at a Commonly Used Performance Metric
Funding Source: UT Undergraduate Research and Inquiry Grants
(Funded, 2018)
Amount: $2,283USD

Predictive Policing in an Australian Context: Assessing Viability and Utility
With Dan Birks, Ph.D., and Michael Townsley, Ph.D.
Funding Source: Australia Institute of Criminology, Criminology Research Grant Scheme
(Funded, 2017)
Amount: $44,699AUD

Testing Recruiting Methods for an Ecological Study of Young People's Activity Patterns
With Michael Townsley, Ph.D., Daniel Birks, Ph.D., Stijn Ruiter, Ph.D., and Wim Bernasco, Ph.D.
Funding source: Griffith Criminology Institute: Pilot Project Scheme (Funded, 2016)
Amount: $17,922AUD

Evaluation of Queensland Police Service (QPS) Police Hub Trial
With Janet Ransley, Ph.D. (Project Leader) and David Bartlett (Project Manager)
Funding source: QPS (Funded, 2015)
Amount: $131,000AUD

The Place and Space of Youth on the Gold Coast: An Examination of Youth Culture, Subculture and Deviance in a Leisure Economy
Co-Principal Investigator with William Wood, Ph.D. and Andy Bennett, Ph.D.
Funding source: Arts Education & Law Collaborative Research Scheme (Funded, 2014)
Amount: $10,000AUD

Surveys@Griffith Mobile Data Collection App
Funding source: School of Criminology and Criminal Justice
Griffith University (Funded, 2014)
Amount: $35,000AUD

Fear of Victimization on the Gold Coast: A Pilot Study of Situational Contexts (Phase II)
Funding source: Key Centre for Ethics, Law, Justice and Governance
Griffith University (Funded, 2014)
Amount: $5,000AUD

Fear of Victimization on the Gold Coast: A Pilot Study of Situational Contexts (Phase I)
Funding source: Key Centre for Ethics, Law, Justice and Governance
Griffith University (Funded, 2013)
Amount: $4,000AUD

Crime Capital of Australia? Reality vs. Perception of Crime on the Gold Coast
Co-Principal Investigator with William Wood, Ph.D., Christine Bond, Ph.D.,
& Hennessy Hayes, Ph.D.
Funding source: Arts, Education, and Law Major Strategic Research Initiative
Griffith University (Funded, 2013)
Amount: $8,878AUD

Criminal Victimization in Nevada, 2011: A Survey of State Residents
Funding source: Bureau of Justice Statistics (Funded, 2011)
Amount: $72,185USD

Technical Assistance and Sub-Award Support to Nevada's
State Administrative Agency (SAA)
Funding Source: Nevada Department of Public Safety (Funded, 2010)
Amount: $16,981USD

The Impact of Foreclosures on Neighborhood Crime in Nevada
Co-Principal Investigator with Tamara D. Madensen, Ph.D.
Funding Source: Bureau of Justice Statistics (Funded, 2010)
Amount: $71,279USD

Nevada's Arrest-related Deaths in Custody: A Data Collection Assistance Project
Funded source: Bureau of Justice Statistics (Funded, 2009)
Amount: $47,802USD

Effects of Data Quality on Predictive Hotspot Mapping
Co-Principal Investigator with Paul Zandbergen, Ph.D.
Funding source: National Institute of Justice (Funded, 2009)
Amount: $193,040USD

JAG Sub-Award for Technical Assistance and Evaluation
Funding source: Nevada Department of Public Safety (Funded, 2009)
Amount: $3,785USD

Spatial Distribution of Affordable Housing
Co-Principal Investigator with Paul Zandbergen, Ph.D.
Funding source: Miami Coalition for the Homeless (Funded, 2009)
Amount: $29,500USD

Victimization in Nevada: A Survey of State Residents
Funding source: Bureau of Justice Statistics (Funded, 2008)
Amount: $58,803USD

Operation Ceasefire in Clark County, Nevada: Evaluating a Cross-Jurisdictional Approach to Reducing Gun Violence.
Co-Principal Investigator with William Sousa, Ph.D.
Funding source: Bureau of Justice Statistics (Funded, 2007)
Amount: $54,896USD

Advancing Internet Access to Criminal Justice Data in Nevada
Co-Principal Investigator with Richard McCorkle, Ph.D.
Funding source: Bureau of Justice Statistics (Funded, 2006)
Amount: $52,603USD

Response Effects and the National Crime Victimization Survey: What Do We Really Know?
Co-Principal Investigator with Callie M. Rennison, Ph.D.
Funding source: American Statistical Association (Funded, 2005)
Amount: $20,940USD

GRANTS – UNFUNDED

Reducing Fear of Crime with Real-Time, Location-Dependent Information Campaigns: Towards a New Approach for Local Governments to Respond to Community Concerns
Funding Source: Research Innovation and Scholarly Excellence (RISE) Grant – University of Tampa (Submitted, 2018)
Amount: $7,500USD

Understanding How Young People Become Victims of Crime
With Michael Townsley, Ph.D., Daniel Birks, Ph.D., Stijn Ruiter, Ph.D., and Wim Bernasco, Ph.D.
Funding Source: Australian Research Council, Discovery Grant Scheme (DP18)
(Submitted, 2017)
Amount: $312,758AUD

Public support for police use of video surveillance technology: Identifying the context-specific conditions of fairness, effectiveness, and legitimacy of police activities
With Justin Ready, Ph.D., Tina Murphy, Ph.D., and Terry Miethe, Ph.D.
Funding Source: Australia Institute of Criminology, Criminology Research Grant Scheme (2016)
Amount: $54,268AUD

An Ecological Momentary Assessment (EMA) of Fear of Crime and its Effect on Attitudes Towards Safety: An Exploratory Study
Co-Principal Investigator with Jolon Faicheny, Ph.D.
Funding source: Arts, Education & Law Group Research Grant (2015)
Amount: $10,000AUD

Developing a Robust Spatial Error Model for Geocoding Individual Level Health Data
Co-Principal Investigator with Paul Zandbergen, Ph.D.
Funding source: National Institute of Health (2011)
Amount: $1,405,557USD

Arrest Related Deaths (ARD) Program, 2011-2013
Funding source: Bureau of Justice Statistics (2011)
Amount: $732,435USD

Improving Decision Support Tools for State Administering Agencies: A Mulitstate Pilot Project.
Funding Source: Bureau of Justice Assistance (2011)
Amount: Sub-award from JRSA $23,331USD

Integrating Crime Theories into GIS Tools:
Bridging the Gap Between Research and Practice for Crime Analysts
Co-Principal Investigator with Terance D. Miethe, Ph.D. and Paul Zandbergen, Ph.D.
Funding Source: National Institute of Justice (2010)
Amount: $392,762USD

A Spatio-temporal Model of Residence Restrictions, Housing Availability, Sex Offender Mobility and Recidivism
Co-Principal Investigator with Paul Zanbergen, Ph.D. and Jill Levensen, Ph.D.
Funding Source: National Science Foundation (2009)
Amount: $305,549USD

Analysis of Possible Non-response Bias in the National Crime Victimization Survey
Co-Principal Investigator with Callie M. Rennison, Ph.D.
Funding source: Bureau of Justice Statistics (2007)
Amount: $72,567USD

Attrition and Optimal Time-In-Sample in the National Crime Victimization Survey
Co-Principal Investigator with Callie M. Rennison, Ph.D.
Funding source: American Statistical Association (2006)
Amount: $29,640USD

PRESENTATIONS & WORKSHOPS

New Directions in Conjunctive Analysis of Case Configurations (CACC). A thematic panel session to be held at the American Society of Criminology annual meeting in Washington, DC; November 2021.

Identifying situational clustering and quantifying its magnitude in dominant Investigating crime pattern stability at micro-temporal intervals: Implications for crime analysis and hotspot policing strategies. A workshop session presented at the Florida Crime Analysts Conference in Orlando, FL; June 2021.

New Directions in Conjunctive Analysis of Case Configurations (CACC). A thematic panel session accepted for the American Society of Criminology annual meeting in Washington, DC; November 2020. *This conference was cancelled due to the COVID-19 pandemic*.

Identifying situational clustering and quantifying its magnitude in dominant case configurations: New methods for conjunctive analysis. A paper to be presented at the American Society of Criminology annual meeting in San Francisco, CA; November 2019.

A comparison of time-based estimates of crime rates in Canada, the United Kingdom and the United States. A paper to be presented with Adam D. Vaughan, Marcus K. Felson, Aiden Sidebottom, and Ashley N. Hewitt at the American Society of Criminology annual meeting in San Francisco, CA; November 2019.

When old meets new: The challenge of traditional performance measures in proactive policing. A paper presented with Michael Chataway and Janet Ransley at Stockholm Criminology Symposium in Stockholm, Sweden; June 2018.

Innovation in frontline policing: Proactivity and its challenges. A paper presented with Janet Ransley, Sandra Smith, David Bartlett, and Michael Chataway at Stockholm Criminology Symposium in Stockholm, Sweden; June 2018.

Social Analytics Lab (SAL). A paper presented with Anna Stewart, Michael Townsley, Janet Ransley, and Dan Birks at the Environmental Criminology and Crime Analysis (ECCA) symposium in Elche, Spain; June 2018.

Activity nodes, activity spaces, and awareness spaces: Measuring geometry of crime's constructs with smartphone data. A paper presented with Dan Birks, Michael Townsley, Stijn Ruiter, and Wim Bernasco at the Environmental Criminology and Crime Analysis (ECCA) symposium in Elche, Spain; June 2018.

Fear of Crime. Seminar presented at Texas State University, San Marcos. San Marcos, TX; November 2017.

Activity nodes, activity spaces, and awareness spaces: Describing patterns in young adults' everyday routine activities. A paper presented with Michael Townsley and Dan Birks at the Griffith Criminology Institute, Mt. Gravatt, Australia; October 2017.

Conjunctive analysis of case configurations: An introduction to configural thinking. Seminar presented at Crimina: Centro para el studio y prevencion de la delincuencia, University Miguel Hernandez, Elche, Spain; July 2017.

Common Metrics for Predictive Policing. A paper presented for the Griffith Criminology Institute's Crime Analyst Workshop Series at Mt. Gravatt, Australia; March 2017.

Hub Policing: Evaluating a New Policing Strategy in Two Queensland Regions. Paper presented with Janet Ransley, David Bartlett, Susan Smith, & Michael Chataway at the Applied Research in Crime and Justice Conference in Sydney, Australia; February 2017.

Conjunctive analysis of case configurations: An introduction to configural thinking. Seminar presented at Texas State University in San Marcos, TX; December 2016.

Guardians of the suburbs. Paper presented with Emily Moir, Anna Stewart, and Danielle Reynald at the American Society of Criminology annual meeting in New Orleans, LA; November 2016.

Preventing crime by making it more difficult to commit. Workshop presented with Michael Townsley and Lacey Schaefer at the Crime Prevention and Communities conference in Brisbane, Australia; November 2016.

Administering electronic space-time budgets (eSTBs) as ecological momentary assessments (EMAs) on mobile devices. Paper presented at the International Association of Crime Analysts (IACA) conference in Louisville, KY; September 2016.

Configural behavior settings of crime event locations: Towards an alternative conceptualization of criminogenic microenvironments. Poster presented at the Environmental Criminology and Crime Analysis (ECCA) symposium in Christchurch, New Zealand; June 2015.

Guardianship in the Brisbane suburbs: Environmental correlates of GIS in non-urban contexts. Paper presented with Emily Moir, Anna Stewart, and Danielle Reynald at the Environmental Criminology and Crime Analysis (ECCA) symposium in Christchurch, New Zealand; June 2015.

Guardianship in the Brisbane suburbs: An exploratory study of crime control by residents in non-urban contexts. Paper presented with Emily Moir, Anna Stewart, and Danielle Reynald at the American Society of Criminology annual meeting in San Francisco, CA; November 2014.

Evaluating theories of cross-national variation in imprisonment rates: A conjunctive analysis. Paper presented with Terance D. Miethe and Florentia Haroan at the American Society of Criminology annual meeting in San Francisco, CA; November 2014.

What works where? Evaluating the utility of targeted risk-based patrol strategies in Fayetteville, NC. Paper presented with Jeremy D. Barnum, Joel M. Caplan, Leslie W. Kennedy, Eric Piza, and Henri B. Schraeder at the American Society of Criminology annual meeting in San Francisco, CA; November 2014.

Indigenous status and sentencing in Queensland: Direct effects and contextual variability. Paper presented with Krystal Lockwood and Anna Stewart at the Australia and New Zealand Society of Criminology Conference in Sydney, Australia; October 2014

Using conjunctive analysis of case configurations to understand crime in the micro-environment. Paper presented at the Jill Dando Institute of Security & Crime Science, University College London; June 2014.

Kernel density estimation and crime hotspot mapping: Examining the influence of interpolation method, grid cell size, and bandwidth on predictive policing. Paper presented at the American Society of Criminology annual meeting in Atlanta, GA; November 2013.

Street robbery and public bus stops: A case study of proximity and situational risk. Paper presented at the Royal Institute of Technology/Centre for Transport Studies workshop on safety in transit environments in Stockholm, Sweden; October 2013.

Geocoding crime data. Workshop provided at the International Association of Crime Analysts (IACA) Conference in Henderson, NV; September 2012.

Quantitative data analysis. Workshop provided at the International Association of Crime Analysts (IACA) Conference in Henderson, NV; September 2012.

Community satisfaction surveys. Workshop provided at the International Association of Crime Analysts (IACA) Conference in Henderson, NV; September 2012.

Examining the role of life satisfaction and negative emotionality in a social disorganization framework. Poster presented with Jeremy Waller at the Academy of Criminal Justice Sciences annual meeting in New York, NY; March 2012.

Predictive crime hotspot mapping. Paper presented with Paul Zandbergen, and Michael Camponovo at the American Association of Geographers annual meeting in New York, NY; February 2012.

Error propagation models to examine the effects of geocoding quality on spatial analysis of individual-level datasets. Paper presented with Paul Zandbergen, Kaythry Lenzer, and Michael Camponovo at the 1st International Geocoding Conference in Redlands, CA; December 2011. (2nd Place Winner: Paper Contest).

The effects of data quality on predictive hotspot mapping. Paper presented with Paul Zandbergen at the American Society of Criminology annual meeting in Washington, DC; November 2011.

How contextual are contextual effects? A conjunctive analysis of disparities in felony processing outcomes. Paper presented with Terance D. Miethe at the American Society of Criminology annual meeting in Washington, DC; November 2011.

Geocoding crime data. Workshop provided at NIJ's 11th Crime Mapping Research Conference in in Miami, FL; October 2011.

The Impact of Foreclosures on Neighborhood Crime in Nevada. Paper presented with Tamara Madensen at the 16th World Congress of the International Society for Criminology meeting in Kobe, Japan; August 2011.

The effects of data quality on predictive hotspot mapping: Preliminary results. Paper presented with Paul Zandbergen at the National Institute of Justice (NIJ) Research Conference in Arlington, VA; June 2011.

Perceived versus official measures of neighborhood and social disorganization: Assessing the validity of commonly used indicators. Poster presented with Jeremy Waller at the American Society of Criminology annual meeting in San Francisco, CA; November 2010.

Geocoding crime incident locations: Assessing match rates and positional accuracy across techniques. Paper presented at the American Society of Criminology annual meeting in San Francisco, CA; November 2010.

Geocoding accuracy considerations in determining residency restrictions for sex offenders. Paper presented at NIJ's 10th Crime Mapping Research Conference in New Orleans, LA; August 2009.

Self-defensive gun use by crime victims: A conjunctive analysis of case configurations. Paper presented with Terance D. Miethe at the American Society of Criminology annual meeting in St. Louis, MO; November 2008.

Sex offender residency restrictions: Implementation and impact. Microsoft Live Meeting as a part of a Series on Sexual Violence sponsored by the National Institute of Justice (NIJ) and Harvard University's John Kennedy School of Government; June 2008.

When helping really helps? Exploring the situational contexts of bystander intervention in non-fatal violent victimization. Paper presented with Terance D. Miethe at the American Society of Criminology annual meeting in Atlanta, GA; November 2007.

Response effects: What can the National Crime Victimization Survey tell us? Technical Report presented with Callie M. Rennison at the Bureau of Justice Statistics in Washington, DC; February 2007.

2006 Community Survey findings presented to the Hillsborough County Sheriff's Department Command Staff in Tampa, FL; February 2006.

Response effects and the National Crime Victimization Survey: What do we really know? Paper presented with Callie M. Rennison at the American Society of Criminology annual meeting in Toronto, Canada; November 2005.

HCSO Non-Sworn Employees Job Condition and Attitude Survey. Results presented to the Hillsborough County Sheriff's Office Command Staff in Tampa, FL; September 2005.

HCSO Sworn Employees Job Condition and Attitude Survey. Results presented to the Hillsborough County Sheriff's Office Command Staff in Tampa, FL; June 2005.

2004 Community Survey findings presented to the Hillsborough County Sheriff's Department Command Staff in Tampa, FL; December 2004.

Revisiting respondent fatigue bias in the National Crime Victimization Survey: Final report. Paper presented with Callie M. Rennison at the American Society of Criminology annual meeting in Nashville, TN; November 2004.

Sexual predators and places where children gather. Poster presentation at the American Society of Criminology annual meeting in Nashville, TN; November 2004.

Revisiting respondent fatigue bias in the National Crime Victimization Survey: Preliminary findings. Paper presented with Callie M. Rennison at the American Society of Criminology annual meeting in Denver, CO; November 2003.

Operation Jetway: Do "hot leads" result in more seizures? Research findings presented with Patrick Gartin and James Tauber to the Deputy Director and Executive Staff of the Drug Enforcement Administration in Washington, DC; August 2001.

Marijuana consumption estimates: A full-market model. Working-group findings presented to the Executive Policy and Strategic Planning/Intelligence Section staff of the Drug Enforcement Administration in Washington, DC; March 2001.

The nation's two crime measures. Presented to the Safe Streets and Communities working group as a part of the National Partnership for Reinventing Government/Department of Justice Task Force on Crime Mapping and Data Driven Management in Washington, DC; July 1998.

Crime and criminal justice: Differences by race and Hispanic origin. Presented to the interagency working group for President Clinton's Initiative on Race in Washington, DC; October 1997.

Causes and consequences of juvenile crime and violence: Public attitudes and question-order effect. Paper presented with David R. Forde at the Southern Criminal Justice Association annual meeting in Savannah, Georgia; September 1996.

SERVICE TO THE UNIVERSITY

2022–23	University of Tampa's Online Teaching and Learning Committee
2022–23	University of Tampa's Department of Education Search Committee (Outside Member)
2022–23	University of Tampa's Department of Criminal Justice Search Committee (Chair)
2021–	University of Tampa's Department of Criminal Justice Assessment Coordinator
2021–22	University of Tampa's Department of Criminal Justice Search Committee (Chair)
2021	University of Tampa's Department of Criminal Justice's Graduate Certificate Feasibility Committee
2019–23	University of Tampa's Department of Criminal Justice's Industry Advisory Board Committee (Chair)
2019–21	University of Tampa's Instructional Technology Committee (Member)
2018–21	University of Tampa's Department of Criminal Justice Search Committees (Member)
2017–18	Griffith University's Arts, Education, and Law Group Staff Committee
2014–17	Wiley-Blackwell *Encyclopedia of Policing*: International Advisory Editorial Board
2014–17	Wiley-Blackwell *Encyclopaedia of Research Methods in Criminology and Criminal Justice*: International Advisory Editorial Board
2014-18	Griffith University's School of Criminology and Criminal Justice Learning & Teaching Committee
2014–18	Griffith University's School of Criminology and Criminal Justice Executive Committee

2014–18 Griffith University's School of Criminology and Criminal Justice Student Success and Retention Team (SSRT) Committee

2014–18 Griffith University's School of Criminology and Criminal Justice Undergraduate Program Director

2014–16 Griffith University's School of Criminology and Criminal Justice First Year Coordinator (Gold Coast Campus)

2013–14 Griffith University's School of Criminology and Criminal Justice Research Committee

2013– *Policing: An International Journal* (formerly *Policing: An International Journal of Police Strategies & Management*) Editorial Board

2012 UNLV's Department of Criminal Justice Search Committee

2011 UNLV's Greenspun College of Urban Affairs Search Committee

2010 Nevada's Department of Public Safety (DPS), Office of Criminal Justice Assistance, Strategic Planning Steering Committee

2009–11 National Institute of Justice's (NIJ) Geospatial Technical Working Group

2009–10 UNLV's Department of Criminal Justice Comprehensive Examination Committee

2009 The First Predictive Policing Symposium. Sponsored by the National Institute of Justice and the Bureau of Justice Assistance. November 18-20, 2009: Las Angeles, CA: Invited Participant

2008–13 *Crime Mapping: A Journal of Research and Practice*: Founder/Co-Editor

2008 JRSA's Technology and Technical Support Committee

2007–13 UNLV's Department of Criminal Justice Scholarship and Awards Committee

2005 Hillsborough County (FL) Administrator's Community Satisfaction Survey Task Force

SERVICE TO THE COMMUNITY

2019–23 Pirates Athletic Hall of Fame, Inc. – Board Member

2019 Take Stock in Children of Florida – Student Mentor

2018– Weedon Island Preserve parkrun – Event Director

2018–19 Assistant Wresting Coach (Volunteer) – Boca Ciega High School

AWARDS

2022-23 Joyce Keller Faculty Volunteer of the Year – University of Tampa

2022 *Criminal Justice Review*'s Paper of the Year Award – Investigating crime pattern stability at micro-temporal intervals: Implications for crime analysis and hotspot policing strategies

2020–21 Excellence in Scholarship and Research – University of Tampa, College of Social Sciences, Mathematics and Education (CSSME)

2015 *Policing: An International Journal of Police Strategies & Management*'s Outstanding Paper of the Year Award – Kernel density estimation and hotspot mapping: examining the influence of interpolation method, grid cell size, and bandwidth on crime forecasting

2014 *Policing: An International Journal of Police Strategies & Management*'s Highly Commendable Paper of the Year Award – Reference data and geocoding quality: Examining completeness and positional accuracy of street geocoded crime incidents

2012 *Policing: An International Journal of Police Strategies & Management*'s Outstanding Reviewer Award

2010 JRSA Technical Innovation Award – Nevada Statistical Analysis Center (SAC)

MEMBERSHIP

2020 American Society of Criminology: Conference Planning Committee
2018– Southern Criminal Justice Association (SCJA)
2018–21 Griffith Criminology Institute (GCI) (Adjunct Member)
2018 Griffith College's Design, Communication and Criminology Program Advisory Committee
2014–16 Australian and New Zealand Society of Criminology Board Member (Treasurer)
2013–18 Griffith Criminology Institute (GCI) (Member)
2013–17 Australian and New Zealand Society of Criminology (ANZSOC)
2010– International Association of Crime Analysts (IACA)
2006–13 Justice Research and Statistics Association (JRSA)
2003– American Society of Criminology (ASC)
1998 Vice President Gore's Task Force on Reinventing Government
1993 Peace Corps/Natural Resources Section – Island of Roatan, Honduras (Volunteer)
