

Elegance in Education

For more than 40 years, UT has thanked some of its biggest supporters with an evening of dinner and dancing at the Minaret Society Dinner. The event has been a favorite of Ron and Renée Vaughn, who help decide the menu, music and theme, including last year's popular "Step Into Our Story." The event celebrates UT donors and their philanthropic commitment to advance UT's mission and provide elevated educational experiences for UT students.

Minaret Society Dinners

Laughs with friends

Incredible desserts

Fine decor

Beautiful table settings

Celebrating through the years

Dancing the night away!

Custom stationery
