Class of 2016

Salary Information

Salary information reflects self-reported base salary and does not include commissions, bonuses or other variable sources of income. Salary information is collected using base salary ranges within a \$5,000 range. For purposes of calculating the mean, median, maximum and minimum salary information, the midpoint of the reported salary range is utilized for each respondent. Respondents are not required to provide salary data. The salary statistics below are based upon 98 respondents who chose to disclose their annual salary for full-time employment.
