

Brian Smith

Managing Partner

LCG (Lender's Consulting Group, Inc.)

Brian Smith is co-founder and managing partner of LCG companies which provide corporate transaction advisory services including capital formation, due diligence, and M&A. With its roughly 40 employees throughout the U.S., LCG has facilitated over \$3 billion of transactions for its clients, which include most of the nation's top financial institutions.

Prior to founding LCG, Brian was a Vice President of Textron Financial Corporation and was a principal in a New York based specialty finance company providing financing to healthcare businesses. Brian is also actively involved in numerous industry and civic organizations.

He holds a bachelor's degree in finance from The University of Tampa and is married with two children.
