Application Process

Please encourage students to apply early. Students may apply after the completion of their junior year in high school. Students must apply electronically on the UT website at www.ut.edu/apply , the Common Application, or the Coalition App. UT is TEST OPTIONAL, but if a student is proud of the SAT or ACT scores, they should submit the information.

Application Deadlines and Types

Early Decision: Application and all supporting documentation must be submitted by Nov. 1 and decisions will be released by the end of December. Students admitted during ED must pay the enrollment deposit by January 15th. The decision is binding; meaning if a student is admitted, they agree to withdraw applications from any other institutions.

Early Action: Application and all supporting documentation must be submitted by Nov. 15 and decisions will be released by the end of February. The most popular way to apply to UT. Non-binding.

Regular Decision: Application and all supporting documentation must be submitted by March 1 and decisions will be released by the end of March.

Transfer and International Students- applications accepted and evaluated on a rolling basis until class is full.

Application Period	Early Decision (Binding)	Early Action	Regular Decision
Deadline	November 1	November 15	March 1
Notification Date	End of December	End of February	End of March

Departmental Applications:

The following majors require separate departmental applications and/or requirements:

- Education: Separate application after 30 completed credit hours.
- Nursing: separate application after completion of all pre-nursing prerequisites.
- Music: Audition required to complete initial application.
- Performing Arts: Audition required to complete initial application.
- Theatre: Audition required to complete initial application.

Honors Program:

Every application will be reviewed for honors eligibility without requiring a separate submission. To be eligible, students need to show exceptional academic accomplishments, engage extensively in IB, AICE, or AP classes, and demonstrate active involvement in extracurricular activities, leadership, and community service.

SURE Program:

The Spartans Undergraduate Research Experience offers a special chance for a limited number of students to engage in undergraduate research. Participants learn research fundamentals, collaborate with faculty on research projects, attend research conferences, and access remarkable research opportunities. Students who are interested should contact their admissions counselor to be potentially nominated.

Financial Aid

Approximately 92% of University of Tampa students receive financial assistance, which comes in diverse forms and combinations. While scholarships don't require FAFSA, it's a prerequisite for grants, certain loans, and work-study programs. This year, **the new** FAFSA is expected to be accessible in December, and students need to re-submit it annually. Next year, the FAFSA will be available on October 1st. If a student would like estimate of their potential aid before applying, guide them to the online Net Price Calculator. However, it's important to emphasize that this calculation is merely an approximation and not a definite amount.

Types of Aid

Scholarships

Merit Scholarships-all students are automatically considered at the time of acceptance and are not reviewed again. Merit scholarships are holistically reviewed based on academic achievement, rigor of coursework, engagement and leadership in extracurricular activities, community service or employment.

- First Year:** May qualify for amounts between \$4,000-\$18,000
Transfer: May qualify for amounts between \$6,000-\$9,000
International: May qualify for amounts between \$6,000-\$12,000

Work Study

Students must qualify as a form of financial aid by submitting a FAFSA. Funds are earned bi-weekly through campus employment. Nearly 700 students work on campus. Work study is not required to obtain on-campus employment and job postings may be found on the Handshake app which is available to all students.

Transferring Credit to UT

Advanced Placement (AP Credits)

Yes. Students can earn college credit by doing well on AP tests. If they score a 3 or higher, they usually get credit, however some courses require a four. Students may be directed to www.ut.edu for a full list of scores accepted.

International Baccalaureate Diploma

If a student earns the International Baccalaureate diploma, they will receive 30 credits along.

Dual Enrollment Credits

Full-time high school taking college classes are considered dual-enrolled. Students must receive a “C” grade or higher from a regionally accredited institution to be reviewed as transfer credit. Official transcripts from the institution awarding the credits is required.
