INTRODUCTION

The University of Tampa acknowledges that fraternities and sororities are valuable to the campus community and positively impact the educational and social experiences of UT students. Fraternities and sororities have a vibrant history at UT and continue to grow with the University environment.

The University of Tampa's mission calls upon the University's academic services and co-curricular activities to support individual discovery and development and provide leadership opportunities. The Student Affairs' mission is to educate and empower students to be global citizens through experiential and diverse learning opportunities that reinforce the Spartan Code's values and enrich others' lives.

In support of the University's mission and the Student Affairs' mission, Fraternity & Sorority Life (FSL) needs to maintain a positive relationship with the University and continue collaborating with different campus areas.

PURPOSE OF HANDBOOK

This handbook provides a framework of policies, guidelines, and regulations by which members of the Fraternity & Sorority Life community, their chapters, and volunteers will abide. The FSL Handbook is used in conjunction with the Registered Student Organization (RSO) Handbook, Student Code of Conduct, and University policies and procedures.

MISSION

The University of Tampa Fraternity & Sorority Life community strives to educate and empower members through skill development and opportunities to demonstrate leadership, scholarship, social responsibility, and integrity in an inclusive environment while fostering lifelong friendships.

VISION

The University of Tampa Fraternity & Sorority Life community will be a prominent component of the University of Tampa experience by engaging in meaningful programs with various stakeholders and preparing members for life beyond their collegiate experience.

CORE VALUES

Academic Success - Involvement in the community complements students' academic goals and promotes a culture of increased persistence and graduation from the University.

Inclusion - Involvement in the community provides students with opportunities to learn from a wide range of individuals, develop relationships with peers of different backgrounds, and increase their overall intercultural awareness.

Integrity – Involvement in the community requires an understanding of the connection between individual, organizational, and global accountability, and an expectation of congruence between statements and actions.

Leadership – Involvement in the community fosters personal growth and development opportunities as students learn to work as a team, understand group dynamics, and identify their strengths and communication strategies to lead an organization effectively.

Lifelong Friendship – Involvement in the community promotes the sharing of common experiences between individuals regardless of organization affiliation; this leads to stronger connections to each other, the University, and their organizations long after graduation.

Social Responsibility – Involvement in the community encourages students to identify issues affecting themselves and others while offering a platform to create change on multiple levels.

REVIEW OF HANDBOOK

The FSL Handbook and contents, including but not limited to policies, regulations, and guidelines, will be subject to review at the end of each academic year. The contents may be amended, expanded, or removed as deemed necessary and appropriate by the Director of Fraternity & Sorority Life without notice. **The FSL Handbook was last updated on Wednesday, August 3, 2022.**

STATEMENT ON NONDISCRIMINATION

The University of Tampa is committed to providing a work and educational environment free from unlawful harassment and discrimination. The University maintains a strict policy prohibiting any harassment or discrimination based on sex, race, color, religion, national origin, disability, gender identity or expression, sexual orientation, age, military or veteran status, marital status, genetic information, or any other protected characteristic. Likewise, ethnic, religious, age-related, disability, gender, or sexual orientation considerations will not be used as the basis for academic or employment decisions affecting any student, faculty member, or employee.

Fraternities and sororities at The University of Tampa all have a tax-exemption status under Section 501(c)(7) of the Internal Revenue Code and shall remain single-sex. All organizations that fall under Fraternity & Sorority Life must have this same tax-exemption status.

STATEMENT ON HAZING

All University of Tampa students, fraternities, and sororities must adhere to all policies outlined in the Student Code of Conduct and local, state, and federal laws. The following is the university statement on hazing as outlined in the Student Code of Conduct, Andrew's Law, and the Florida Statutes on Hazing.

UT NON-HAZING POLICY

The University of Tampa does not tolerate any hazing acts by any student, organization, team, or any other university community member. Hazing is explicitly related to pledging, being initiated into, developing an affiliation with, holding office in, or maintaining membership in any organization. Hazing is defined as any activity that humiliates, degrades, abuses, or endangers a person, regardless of a person's willingness to participate, or is otherwise prohibited by Florida Statutes § 1006.63. Students are prohibited from the following:

- Actively participating in any activity related to hazing.
- Passively participating in or having knowledge of any activity related to hazing

ANDREW'S LAW

Andrew's Law is a bill passed in Florida after an FSU fraternity student's death in 2017. This law states that a person may not be prosecuted if they establish all the following:

- That they were present at an event where, as a result of hazing, a person appeared to need immediate medical assistance.
- That they provided their own name, the address where immediate medical assistance was needed, and a description of the medical issue to the 911 operator or campus security at the time of the call.
- That they remained at the scene with the person in need of immediate medical assistance until such medical assistance, law enforcement, or campus security arrived and that they cooperated with such personnel on the scene.

A person is immune from prosecution under this section if the person establishes that, before medical assistance, law enforcement, or campus security arrived on the scene of a hazing event, the person rendered aid to the hazing victim. For purposes of this subsection, "aid" includes, but is not be limited to, rendering cardiopulmonary resuscitation to the victim, clearing an airway for the victim to breathe, using a defibrillator to assist the victim, or rendering any other assistance to the victim which the person intended in good faith to stabilize or improve the victim's condition while waiting for medical assistance, law enforcement, or campus security to arrive.

FLORIDA STATUTE

In accordance with Section 1006.63 (1)*, Fla. Stat., the term includes, but is not limited to, pressuring or coercing the student into violating state or federal law; any brutality of a physical nature, such as whipping, beating, branding, exposure to the elements, forced consumption of any food, liquor, drug, or other substance, or other forced physical activity that could adversely affect the physical health or safety of the student; or any activity that would subject the student to extreme mental stress, such as sleep deprivation, forced exclusion from social contact, forced conduct that could result in extreme embarrassment or other forced activity that could adversely affect the mental health or dignity of the student. Hazing does not include customary athletic events or other similar contests or competitions, or any activity or conduct that furthers a legal and legitimate objective.

The Florida Statute has expanded and updated redefining the term "hazing"; expanding the crime of hazing, a third-degree felony, to include when a person solicits others to commit or is actively involved in the planning of hazing; expanding the crime of hazing, a first-degree misdemeanor, to include when a person solicits others to commit or is actively involved in the planning of hazing; providing a short title; providing that a person may not be prosecuted if certain conditions are met; providing immunity from prosecution to persons who meet specified requirements; defining the term "aid."

For the complete statute, please visit: <https://www.flsenate.gov/Session/Bill/2019/1080/BillText/er/PDF>

Violation of this university policy may result in disciplinary actions against the student(s) or organization(s) found responsible or involved with such acts. In addition to university disciplinary actions, any person(s) who commit acts of hazing may be subject to criminal charges under sections and 1006.63(1) and 1006.63(2) in the Florida Statutes.

RECOGNITION OF FRATERNITIES & SORORITIES

The University of Tampa only recognizes social fraternities and sororities nationally affiliated organizations. New fraternities and sororities must follow and complete the FSL Expansion Policy and Procedures to establish on campus. No local Greek-letter organizations may colonize or establish at UT. Professional, academic, or discipline (service)

Greek-letter organizations are considered registered student organizations (RSOs) and do not fall under Fraternity & Sorority Life.

DEFINITION

UT defines a social Greek-letter organization as an organization that exists to promote fraternal relationships and personal development; requirement for membership is not limited to a specific field of study, class year, or grade attainment beyond the typical grade requirement; members are not permitted to hold membership in other identified social fraternities or sororities at the University; the organization is affiliated with a(n) (inter)national organization, and the (inter)national organization has tax-exempt status under Section 501(c)(7) of the Internal Revenue Code.

CRITERIA

For official recognition by The University of Tampa, Office of Student Leadership and Engagement, and Fraternity & Sorority Life, the following criteria needs to be met:

1. Chapters must be affiliated with an inter/national organization that aligns with the standards or values of inter/national umbrella organizations such as the NIC, NPC, NPHC, NALFO, NMGC NAPA.
2. Chapters must be recognized as an active chapter or establishing chapter by their respective inter/national organization.
3. Chapters must be a member of one of the governing councils within FSL: College Panhellenic Association, Interfraternity Council, or Unified Greek Council.
4. Chapters must be registered student organizations (RSO) with the Office of Student Leadership and Engagement (OSLE).
5. Chapters must have an alumni/graduate advisor. Each advisor's contact information must be submitted to FSL staff.
6. Chapter members must have a grade release and non-hazing membership card on file with FSL.
7. Establishing chapters that have followed the proper FSL Expansion Policy and Procedures will be officially recognized (see FSL Expansion Policy and Procedures) by the University.
8. Chapters must always maintain at least four active full-time undergraduate members.

RECOGNIZED COUNCILS & CHAPTERS

UT Fraternity & Sorority Life comprises 1,600+ members that fall under three governing councils and 26 chapters. The following are all recognized Greek social councils and the chapters that fall under Fraternity & Sorority Life at The University of Tampa.

- Phi Gamma Delta (FIJI) (2017)
- Sigma Chi (2007)
- Tau Kappa Epsilon (1954, 2011)
- Zeta Beta Tau (1972, 2012)

LOSS OF RECOGNITION

Fraternities and sororities are held to the same standard as all registered student organizations at The University of Tampa. Should a fraternity or sorority fail to uphold the standards in the FSL Handbook, RSO Handbook, Student Code of Conduct, or other University Policies, the recognition status of the organization can be revoked or suspended.

Loss of recognition means that the fraternity or sorority will not be permitted to operate on or off-campus or affiliate themselves in any way with The University of Tampa. This includes the use of facilities, student government funding, participation in any University functions, or using the University's official branding in any printed materials, social media, etc. In addition, fraternities or sororities who lose University recognition cannot operate as a Registered Student Organization (RSO), Club Sport or intramural team. It is up to university officials' discretion to determine the length and scope of the loss of recognition.

SUSTAINABILITY

The Fraternity & Sorority Life (FSL) has a set minimum expectation of membership numbers in a fraternity or sorority to ensure the chapter's longevity. To remain active, chapters must actively work to ensure they do not fall below the minimum requirement of 4 active full-time undergraduate members.

If a chapter falls below four active full-time undergraduate members, the chapter will have the next full academic year to get at or above the stated requirement. Recruitment/intake is not allowed over academic breaks, holidays, and the summer. The chapter must also get approval from the Fraternity & Sorority Life regarding all events, meetings, or socials before the chapter can register them in InvolveUT. The chapter will have to submit a sustainability plan to FSL that is signed off by their advisor before the start of the academic semester. FSL staff may require additional items, which will be determined on a case-by-case basis.

Should the chapter not meet the minimum requirement, the chapter will go inactive for one full academic year. During that time, the chapter will be removed from all official UT publications, property including the rock in the rock

garden, and any other associations with the University. The chapter will need to petition to come back to campus as an active chapter no earlier than two months before the end of their inactive status term.

Chapters who go inactive for one full academic year and come back but fail again to meet the minimum expectation requirement after one full academic year will be removed from campus and unable to return until the council in which they are under is open for expansion. They must follow the FSL Expansion Policy and Procedures and be selected in order to come back.

UNRECOGNIZED GROUPS

An unrecognized fraternity or sorority is one that chooses to exist off-campus and does not abide by The University of Tampa policies and procedures or the requirements set forth by the Fraternity & Sorority Life. These unrecognized groups were previously recognized by the University and lost recognition due to University or national conduct.

Unrecognized groups may not receive any funding, training, or support from the University. The University also has no oversight on their operations; thus, students and families should be aware that involvement with these unrecognized groups is highly discouraged. Please visit the website for more detailed information regarding unrecognized groups - <https://www.ut.edu/campus-life/fraternity-and-sorority-life/fsl-status-information/suspended-or-unrecognized-fraternities-and-sororities->

FAILED ESTABLISHING PROCESS

In the unlikely event a fraternity or sorority establishing chapter fails to meet the standards set forth by The University of Tampa or the (inter)national organization, the establishing chapter must cease all operations. Furthermore, all ties with The University of Tampa including the use of official logos, names, nicknames, etc., must be removed from all marketing material including but not limited to social media and national websites.

The failed establishing chapter may only return to campus should they apply and be selected through the official FSL Expansion Policy and Procedures.

INTEREST GROUPS

UT Fraternity & Sorority Life does not recognize or support the creation of interest groups. An interest group is defined as a student-led movement, with or without support from a national headquarters, petitioning to create a new social fraternity or sorority chapter. For a new fraternity or sorority chapter to join any FSL council, the specific council must be open for expansion, and the application to join must come from a national headquarters. Any national organization supporting an interest group outside of expansion policies will not be permitted to expand on campus and will have any application denied. See 'Expansion Policy & Procedures' for further information.

CHAPTER RETURN POLICY

If an established chapter with a national charter loses its recognition by the University or national headquarters, Fraternity & Sorority Life (FSL) will work with the national headquarters to determine return eligibility. Establishing chapters that lose recognition before receiving their charter either by the University or national headquarters, will have to submit their intent to return to campus by following the FSL Expansion Policy & Procedures. The FSL Expansion Committee determines when a council is ready for expansion.

A formal Memorandum of Understanding (MOU) will be created and agreed to by both the University and the national headquarters. The University of Tampa reserves all rights to adapt and change the MOU at their discretion. Some criteria in the MOU include, but are not limited to:

- Establishment of <chapter> will be held no sooner than the <semester, year> semester;
 - <Chapter> will engage in return discussions with the Office of Fraternity & Sorority Life and <council> one year prior to establishment efforts (as early as <semester, year>);
 - Establishment and recruitment marketing activities may begin on campus in the <semester, year> semester;
 - <Chapter> shall not conduct new member education or initiate members until <semester, year>. Failure to comply will result in the University of Tampa rescinding its offer to establish an entity on its campus;
 - <Chapter> will provide at least one consultant employed by the national headquarters to live in Tampa for the first full-year after the chapter returns;
 - <Chapter> will provide support of various Headquarters staff and volunteers who solely support establishing chapter operations;
 - <Chapter> will maintain regular communication with the staff in the University of Tampa Office of Fraternity and Sorority Life and the <council> President/Executive Board. This will include visits to campus throughout the school year so <Chapter> can observe campus and <council> events and maintain the relationships we have built together during this period;
 - <Chapter> staff will communicate regularly and transparently with the Office of Fraternity & Sorority Life regarding progress on expansion preparation, on-site expansion support, and ongoing support of <chapter> establishing chapter;
 - The University of Tampa will help in securing space on campus for interviews with potential new members, recruitment events, and tabling opportunities;
 - <Chapter> must have completed all University and national headquarters conduct sanctions including any disciplinary probation periods before they are eligible to return;
 - <Chapter> must be off-campus for a total of 4 years without any incidents reported to the Office of Fraternity & Sorority Life or the Office of Student Conduct;
 - <Chapter> must pay in full any outstanding University bills;
 - <Chapter> must agree and adhere to all University policies and procedures outlined in the FSL Handbook, RSO Handbook, and other official University documentation;
 - Advisors to the newly established chapter will not include members of <chapter> when the chapter was <suspended, removed, etc.> from campus life during the <year> academic year;
 - This MOU must be signed, dated, and returned to The University of Tampa by <date> or the terms and agreements of this MOU are null and void.
-

EXPANSION POLICY & PROCEDURES

EXPANSION COMMITTEE COMPOSITION

The Expansion Committee shall be comprised of the following: Director of Fraternity & Sorority Life, Coordinator of Fraternity & Sorority Life, VPSA/Dean of Students, Associate Dean, a designee from Development, and a student representative from the council, which is expanding.

- The committee will meet annually or as deemed necessary for the expansion process, depending on the anticipated term for expansion.
- The committee shall be chaired by the Director of Fraternity & Sorority Life or Coordinator of Fraternity & Sorority Life.
- The student representative shall be appointed by the council in which is expanding to represent the said council on the expansion committee.

EXPANSION PROCESS

The process and policies for expanding social Greek-letter organizations on campus will be in accordance with the expansion policy within The University of Tampa Fraternity & Sorority Life policies.

- FSL will adhere to the extension process set by the National Panhellenic Conference (NPC) for the College Panhellenic Association. All other councils must adhere to the UT FSL Expansion Policy and Procedures.

The Expansion Committee and all council presidents will meet annually to do a comprehensive review of FSL data to determine if a council will be open for expansion.

- The Expansion Committee may meet more often if deemed necessary.

If the Expansion Committee determines that a council is open for expansion, the Director of Fraternity & Sorority Life or Coordinator of Fraternity & Sorority Life will send a notification that the council is open for expansion and will provide instructions and a timeline of the expansion process.

- Notifications will be sent to all the national fraternal governing bodies of the council that is open for expansion and posted on UT websites and social media accounts.
- Priority may be given to Greek-letter organizations who belong to a national fraternal governing body or have previous history at UT.
- Any Greek-letter organization petitioning to join the FSL community must follow the UT FSL expansion process regardless of affiliation or history with UT.
- No local Greek-letter organization may establish at UT.

Organizations will apply and provide requested materials as specified by the Director of Fraternity & Sorority Life or Coordinator of Fraternity & Sorority Life.

The Expansion Committee will review all completed applications and extend invitations to at least two (2) organizations to continue to present to the University community.

- The University's ability to provide adequate professional staff support and capacity will determine the number of colonies on campus at one time with no more than two (2) colonies on campus per council.
- Provisional or interest groups invited to campus by the Expansion Committee must abide by all national fraternal governing bodies, UT, and Inter/National Headquarters guidelines and expectations.

All organizations submitting materials will be notified of their application status once the Expansion Committee decides on presentation invitations.

Organizations selected to present at UT will work with the Director of Fraternity & Sorority Life or Coordinator of Fraternity & Sorority Life to determine their campus presentation date.

Presentations will be made to the council open for expansion, UT FSL leaders, Student Affairs, Development, FSL Advisors, and other UT stakeholders. Presentations are open to the entire UT campus community.

Following all presentations, the Expansion Committee will review UT stakeholders' feedback and vote to approve any, all, or none of the organizations presented to the UT community.

- Creation, distribution, collection, and presentation of feedback from the organization presentation(s) to the Expansion Committee will be done by the Director of Fraternity & Sorority Life or Coordinator of Fraternity & Sorority Life.

A statement of rationale written by the Expansion Committee will be presented to the council and the organization(s) that was/were selected to establish on campus.

If the invitation to establish on-campus is accepted, a written binding agreement will be created that The University of Tampa and the organization(s) will sign.

- Both parties, The University of Tampa and the organization(s), may adjust the timeline of establishing with six months' notice.

A formal announcement to The University of Tampa community will be made once all timelines and agreements with the organization(s) and council(s) have been made.

LETTER OF INTEREST & REQUESTED MATERIALS

Organizations wishing to expand at UT must submit a dated letter of interest expressing the desire to establish the organization at UT in addition to requested documentation and supporting materials.

- The Expansion Committee reserves the right not to schedule a fraternity for expansion if any part of the requested materials is not provided.
- The Expansion Committee reserves the right to waive any of the following requested materials for any reason.

REQUESTED MATERIALS

Provide the following materials to the Expansion Committee for review and consideration to be offered an invitation to present on campus (*Unless otherwise noted, all the following must also be included in the expansion presentations*).

- Alumni Information
 - Number of alumni in the area
 - Explain the interest and support of the alumni in establishing a chapter
 - A list of specific alumni who have already indicated an interest in working with the chapter in an advisory capacity
 - Nearest alumni club/organization/graduate chapter
 - UT Alumni, if any (for organizations petitioning to re-establish)
- Inter/National Organization Constitution and Bylaws
- Organizational Policies and Programs
 - Hazing
 - Sexual assault
 - Alcohol and substance abuse
 - Scholarship
 - Diversity and Inclusion
 - Membership education/length and focus of the program
 - Intake/recruitment/membership
 - Membership standards and grade requirements

- Information on insurance coverage/proof of insurance
- Leadership development/opportunities (including national conventions and officer transition)
- Financial support provided to the establishing chapter and financial expectations of the establishing chapter
- Establishment Procedures
 - Expansion plans and support from Headquarters, including the number of field staff and length at UT during establishment and outgoing support/visits after initial establishment.
 - Minimum expectations of the newly established organization for existence and chartering (i.e., the minimum number of members, benchmarks needed to meet, etc. and how these are measured)
 - The anticipated timeline for UT newly established organization to receive a charter
 - Contact information of 1-2 institutions of recent expansions
- Fraternity/Sorority Statistics
 - Total number of chapters nationally/internationally
 - Number of chapters and colonies in Florida and Southeastern region
 - Total number of establishing chapter efforts during the past five (5) years, including institution, the current status of newly established organizations, and reasons for any closures
 - Total number of undergraduate members
 - Total number of newly established organizations anticipated for the next five (5) years, including institution and timeline for each (as known)
 - The number of chapters lost during the last five (5) years, including institution and reason for closure
 - The average size of chapters nationwide
- National Fraternal Governing Body Involvement and Membership Details (*if applicable*)
- History with The University of Tampa (*if applicable*)
 - When and why the organization left campus
 - How the organization plans to avoid this from recurring
 - How the organization has cleared up any debts or circumstances still left incomplete from when previously on campus (*if applicable*)
 - Positive contributions were made when the organization was a member of the UT FSL community.

FRATERNITY/SORORITY CHARTERING

Newly established chapters that followed the UT FSL Expansion/Extension and were selected to establish on campus must receive and become fully chartered as a member of the University community by the end of their second full academic year. Should a newly established chapter fail to meet this deadline, they will lose all recognition at The University of Tampa.

UGC MEMBERSHIP INTAKE

The purpose of this policy is to provide the UGC organizations at The University of Tampa, their advisors, and prospective members with a source of information regarding Membership Intake. Chapter Advisors and Fraternity & Sorority Life, specifically the Director or the Coordinator of Fraternity & Sorority Life, will work together to ensure a successful and positive experience for all involved.

For the Director or Coordinator of Fraternity & Sorority Life to assist chapters with the intake process and avoid potential problems, chapters must adhere to the following if they are to conduct intake at The University of Tampa.

MEETINGS & DOCUMENTATION

Before any intake activities, at least one-chapter member, preferably the chapter president or intake director, will call/email to set up a meeting with the Director or Coordinator of Fraternity & Sorority Life. At this meeting, the chapter will submit/provide the following:

- Any national or regional paperwork that needs to be signed by our office
- Notice of Intake (please ask FSL for the official document)
- A calendar of events including a timetable of any intake activities with dates and times. Activities must be approved one week before they commence. Activities to include on the calendar if applicable:
 - Informational and interest meetings
 - Interview date(s)
 - Selection date(s)
 - Start date of the new members' official process/education
 - Initiation date
 - Presentation of New Members
 - If the presentation of new members does not include a "show," the method used to present new members should be discussed and approved.
 - Any additional dates pertinent to a specific organization

All chapters conducting intake must submit a Grade Verification and Consent Form (please ask FSL for the official document). The verification forms must be submitted immediately after the interest meeting and before starting the aspirants' official process/education listed on the chapter's intake calendar. This form is the list of the individuals your chapter considers for membership (this should include the names that will be submitted to your regional and national representatives as potential aspirants for membership). In cases where the National intake team conducts the intake process, all correspondence forwarded to any regional or local representatives should also be sent to the Director or Coordinator of Fraternity & Sorority Life. The verification form contains the following information:

- List of candidates for membership that will include each new member's:
 - Name (please print)
 - Signature
 - UT Student ID Number
- Name and Signature of Chapter President
- Name Signature of Intake Chair
- Name and Signature of Graduate Advisor

BEFORE any education begins during intake, all students who applied and have been selected by an organization to begin intake education must complete the Fraternity & Sorority Life New Membership Card in the FSL portal on Qualtrics. Failure to have all aspirants complete this form before education begins will result in an immediate cease of intake activities for the remainder of the semester.

At the conclusion of the intake process (after initiation), the chapter president is responsible for updating the fraternity/sorority roster on the FSL Roster Portal located at fslrosters.ut.edu. Chapter presidents must contact the Director or Coordinator of Fraternity & Sorority Life if they forget their login information. Any changes in the roster will not be published/released until the presentation of new members has occurred.

DISCLOSURE

All documents supplied to the Director or Coordinator of Fraternity & Sorority Life are kept confidential from all students or student leaders, including the council officers. They may be shared with university officials and organization staff as needed. If any dates and times need to be changed on the calendars of events, chapter members must notify the Director or Coordinator of Fraternity & Sorority Life (in writing) no less than 2 class days before the new event time.

All intake events or events relating to intake must not occur at a private residence, house, apartment complex, etc. All intake events must occur on-campus, at an insured third-party vendor, or in a public park. Additionally, undergraduate students at The University of Tampa cannot be brought through a graduate chapter intake process. Undergraduate students must be brought through the undergraduate intake process with the active chapter at The University of Tampa.

PRESENTATION OF NEW MEMBERS

All organizations must adhere to the following rules when presenting new members to the campus community. Organizations who do not conclude intake with a formal presentation “show” must introduce their members using another method within the same timeline presented in the following guidelines. This “method” can vary from chapter to chapter and must be approved by the Director or Coordinator of Fraternity & Sorority Life.

Presentation of new members must occur within 30 calendar days after the member's initiation into the organization, or before the last week of classes, whichever comes first (an extension can be granted with the approval from the Director or Coordinator of Fraternity & Sorority Life). All new member presentations must take place on campus property.

RULES FOR PRESENTING NEW MEMBERS

Presentation “shows” are not to be scheduled on the same night/time of a previously planned event of another chapter of the same council.

Excessive vulgarity and profanity will not be tolerated, including any words/lyrics contained in any music played. Music played must be “clean” radio edit versions.

Alumni/alumnae are not allowed to be a part of the presentation show. They can help run music or prepare props, but they should not be an actual part of the show.

There will be no personal attacks or the calling out of a specific person or persons in the presentation show.

NO explicit or revealing attire.

Campus Safety must be requested (2 weeks in advance) and attend all New Member Presentations.

All University of Tampa policies and procedures for student organization events must be followed.

Alcohol and drug use are strictly forbidden for all students, staff, alumni, family, friends, etc., in attendance or participating in the presentation.

No physical abuse will be tolerated. This includes but is not limited to slapping, kicking, spitting, punching, pushing, poking, caning, etc. (Canes may be used as a part of the performance but may not be used as a weapon to harm another individual.)

In the event of a fight during the presentation or as a result of the presentation (no matter if it is on or off campus), this fighting will be reported to the Office of Student Conduct. If a member of the presenting organization is involved, the presentation show will be stopped immediately. * (See Violations section for further details)

Undergraduate chapters and members are responsible for any alumni, family, friends, or guests in attendance. Should any of these stated groups of people not follow University policies, the undergraduate chapter may be brought through the conduct process.

Disruptions by other attending organizations will not be tolerated. This includes but is not limited to walking through the presenters' show, talking over the presenting organization, etc.

The show must start within 20 minutes after the advertised start time to respect all in attendance; each minute after, the organization will be fined \$20.00. Failure to pay the fine may result in the organization not being recognized during the next student organization re-registration cycle and not being viewed in good standing from the Fraternity & Sorority Life.

The duration of the presentation show should be no longer than 2 hours. The presenting organization will be responsible for ensuring the site used is left in its original state.

The presentation show is a privilege and not a right. Continued violations of presentation show guidelines or other membership intake policies may result in the loss of this privilege.

INTAKE VIOLATIONS

The Office of Student Conduct determines penalties for fighting. If a fight breaks out, campus safety determines if the presentation will continue. If the show is stopped, and the presenting organization is not at fault, an alternate date and time will be permitted by the Director or Coordinator of Fraternity & Sorority Life.

Violations of the intake process may result in probation or suspension. Whether the chapter will be placed on probation or receive automatic suspension is based upon the infraction and is at the discretion of the advisor(s).

Probation is noted by a period of scrutiny wherein if the chapter commits any violation of the intake process or any other rules set forth by the Fraternity & Sorority Life, the chapter will be placed on suspension. The suspension is noted by a period wherein all social and formal programming (including community service, all fundraising activities, and intake functions) is prohibited. The suspension period will be determined by the Director or Coordinator of Fraternity & Sorority Life and will be a time of no less than one semester.

Violations include the following, but are not limited to:

- Intentional submission of improper paperwork (i.e., changing dates on forms, falsifying original signatures, incomplete paperwork, late paperwork, failure to submit paper, etc.)
- Holding membership intake without conforming to the Intake Guidelines set forth by the Fraternity & Sorority Life.
- Hazing: Any violations of the Florida state law and The University of Tampa policy.
- Overt activity is defined as any activity related to intake conducted in defiance of previous guidelines or warning by the Director or Coordinator of Fraternity & Sorority Life.
- Failure to adhere to Presentation of New Member Guidelines.

CONTACT INFORMATION

Chapters must submit and maintain up-to-date contact information for chapter officers and advisors. Information should be submitted no later than two weeks after the first day of classes each semester through the FSL Roster Portal at fslrosters.ut.edu. If elections are held mid-semester, forms should be completed for new officers within one week of elections. If a regional officer, member of the graduate chapter, etc., is conducting intake, please submit contact information for those key individuals.

IFC & CPA RECRUITMENT

The Interfraternity Council and College Panhellenic Association must abide by all rules in the bylaws for each council. All students wishing to participate in recruitment must register before the deadline set by each council with the support of the Director or Coordinator of Fraternity & Sorority Life. All recruitment events must occur on campus (unless held at a licensed and insured third-party vendor) and submitted in InvolveUT before the event occurs. Recruitment events cannot be held at a house (privately or publicly owned), apartment complex, condo, etc.

HOUSING

The University of Tampa does not recognize or provide specific housing for fraternities and sororities. Fraternities and sororities are not allowed to promote specific housing on or off-campus, suggesting it is a recognized fraternal dwelling. Failure to comply with this will result in the organization being brought through the conduct process with the Office of Student Conduct.

ROSTERS

All chapters must maintain an updated and accurate chapter roster with FSL. Chapter presidents have access to their chapter roster 24/7 using the FSL Roster system (fslrosters.ut.edu). FSL requires presidents to use the FSL Roster system throughout the academic year as members' statuses change frequently. FSL staff will review each roster change and have final approval in a member's status change. The FSL Roster system has specific periods in which a chapter president can make full changes to a member's status.

If a chapter needs to add someone (a member who is going active again), that member will need to resubmit the "Fraternity & Sorority Life New Membership Card" on Qualtrics. Members that have been a part of the chapter through November 1st in the fall and through April 1 in the spring will count towards the semester grade report. New members are added to a chapter roster as soon as they fill out the "Fraternity & Sorority Life New Membership Card" on Qualtrics after recruitment/intake. All new members must fill out this form upon accepting membership (or a bid) into a fraternity or sorority.

If a chapter president fails to remove someone from their roster by the deadline approved by FSL, that member will stay on the roster and count towards the chapter's GPA report. FSL may also reach out to inter/national headquarters to compare rosters to ensure accuracy.

Fraternity & Sorority Life may implement a fine for late roster updates. That fine shall be \$10 per update that needs to be made after rosters have been closed. It is up to the discretion of the Director/Coordinator of Fraternity & Sorority Life to determine if a late roster update results in a fine.

ROSTER STATUS DEFINITIONS

The Fraternity & Sorority Life has defined statuses for membership within the FSL community. Statuses for members vary between each council and chapter. It is important to note that each national organization may have different statuses and definitions, but for UT purposes, the statuses listed help identify where students stand within each organization and operate as umbrella definitions.

COLLEGE PANHELLENIC COUNCIL STATUSES

Active: A UT undergraduate full-time (12 credit hours or more) student who has been fully initiated and actively involved with their chapter.

Inactive:

- Alumnae – Remaining at UT for one semester: If a member has moved to alumnae status within your chapter but is still enrolled at UT for only one semester (including Study abroad, internship, etc.), they will remain on your roster as active. After one semester, they will be automatically removed from your roster.
- Alumnae – Remaining at UT for more than one semester: If a member has moved to alumnae status within your chapter but is still enrolled at UT for more than one consecutive semester (including Study abroad, internship, etc.), they will be removed from your roster.
- Canceled Membership: Active member is deactivated, withdrawing, or canceling their membership voluntarily. Ex: financial reasons, personal reasons, etc.
- Graduated: Active member has graduated from UT.
- Other: Please contact FSL before you use this status.
- Released before initiation: New member decided to deny/cancel membership BEFORE they have been initiated.
- Study abroad, internship, military obligations, student teaching, etc. - One semester: Active Member is gone for only one semester for any of these reasons. They will remain active and noted as such.
- Study abroad, internship, military obligations, student teaching, etc. – More than one semester: Active member is gone for more than one consecutive semester for any of these reasons, they will be removed from your roster. Once they return, please contact FSL at utampafsl@ut.edu, and the member will be added back to your roster as active.
- Terminated: The chapter non-voluntarily has terminated active member. Ex: Terminated due to missed payments, inactivity, etc.
- Transferred: Active member transfers to another school.

New Member: A UT undergraduate full-time (12 credit hours or more) student who was offered a bid, going through the new member education process, but has not been initiated.

UNIFIED GREEK COUNCIL STATUSES

Active: A UT undergraduate full-time (12 credit hours or more) student who has been fully initiated and actively involved with their chapter.

Inactive:

- Canceled Membership: Active member is deactivated, withdrawing, or canceling their membership voluntarily. Ex: financial reasons, personal reasons, etc.
- Graduated: Active member has graduated from UT.

- Other: Please contact FSL before you use this status.
- Study abroad, internship, military obligations, student teaching, etc.: Active Member is gone for only for any of these reasons. They will remain active and will be noted as such on the roster.
- Terminated: The chapter non-voluntarily has terminated active member. Ex: Terminated due to missed payments, inactivity, etc.
- Transferred: Active member transfers to another school.

New Member: A UT undergraduate full-time (12 credit hours or more) student who was offered a bid, going through the new member education process, but has not been initiated.

INTERFRATERNITY COUNCIL STATUSES

Active: A UT undergraduate full-time (12 credit hours or more) student who has been fully initiated and actively involved with their chapter.

Inactive:

- Canceled Membership: Active member is deactivated, withdrawing, or canceling their membership voluntarily. Ex: financial reasons, personal reasons, etc.
- Graduated: Active member has graduated from UT.
- Other: Please contact FSL before you use this status.
- Released before initiation: New member decided to deny/cancel membership BEFORE they have been initiated.
- Study abroad, internship, military obligations, student teaching, etc.: Active Member is gone for only for any of these reasons. They will remain active and will be noted as such on the roster.
- Terminated: The chapter non-voluntarily has terminated active member. Ex: Terminated due to missed payments, inactivity, etc.
- Transferred: Active member transfers to another school

New Member: A UT undergraduate full-time (12 credit hours or more) student who was offered a bid, going through the new member education process, but has not been initiated.

ACADEMIC POLICY

Fraternity & Sorority Life (FSL) is committed to student success by supporting fraternities and sororities that provide members with opportunities to enhance academic success. A core value of the UT Fraternity & Sorority Life community is academic excellence, which aligns with the Student Affairs' Spartan Ready culture.

The standards outlined in this policy are designed to set FSL organizations and members' minimum expectations to achieve academic excellence. This policy drives the pursuit of academic excellence and ensures organizations and their members align with the community's mission, vision, and core values. The FSL Academic Policy should be observed as the minimum academic requirement for all FSL members; each fraternity, sorority, governing council, and inter/national fraternal organization may set their own heightened academic requirement or policy above the set FSL standard. FSL encourages each fraternity, sorority, and governing council to provide all members academic support.

Fraternity & Sorority Life will pull grades using Workday. Workday is the official University system that reports students' grade point averages (GPAs) from high school, another institution, or UT. Workday grades are final, and no

exceptions will be made. Please note, transfer grades and GPAs do not count towards a student's UT GPA per the Registrar's Office.

ACADEMIC EXCELLENCE REQUIREMENTS

POTENTIAL NEW MEMBERS

A potential new member (PNM) is defined as a student who potentially may receive a bid, invitation, or application to join a fraternity or sorority. For a PNM to be considered eligible for membership in any fraternity, they must meet one of the following standards dependent on their student classification:

- First time in college (FTIC) students: 2.50 cumulative high school GPA
- College Transfer students: 2.50 cumulative college transfer GPA
- Existing UT students: 2.50 cumulative GPA

NEW MEMBER CLASS/LINE

A new member class/line is defined as a group of students in a chapter that are new to the organization but have not yet been initiated/inducted into the organization. New member classes/lines must have a 2.50 or higher semester GPA average at the end of the semester. If a new member class/line falls below the 2.50 semester GPA average, the chapter will be placed on an academic warning status for one semester. This may include but is not limited to loss of privileges as outlined in the Academic Status section of this policy, intervention strategies such as workshops/webinars, or programming. If the chapter fails to have its new member classes/lines meet the requirement for consecutive semesters, the chapter may face the loss of future recruitment/intake.

ACTIVE MEMBER

An active member is defined as a successfully initiated/inducted student into the fraternal organization and is recognized by inter/national headquarters as a fully active member or pays dues in any capacity. FSL recommends that active members frequently check on their grades with professors throughout the semester. It should be noted that once a student falls below a 2.0 cumulative GPA, the University will place the student on academic probation. The chapter's responsibility is to check in with members to ensure that academics are their focus and help members who are on the verge of dropping below a 2.0 cumulative GPA.

COUNCIL EXECUTIVE OFFICERS

An executive council officer is defined as a student who serves to make decisions for their council or community as outlined in each council's constitution. Any student wishing to serve as an executive officer of a governing council must maintain a 2.50 or higher cumulative GPA. If an executive council officer falls below a 2.50 cumulative GPA, they can be removed from their position. An appeal to retain board eligibility should be submitted to the governing council president and FSL staff as outlined in Academic Status Appeals. FSL supports councils setting a heightened academic expectation for their board members.

CHAPTER EXECUTIVE OFFICERS

A chapter executive officer is defined as a student who serves in a governing role or a capacity to make decisions for their chapter as outlined in an individual fraternity or sorority constitution. FSL does not require a minimum standard for chapter executive officers but encourages chapters to set a minimum 2.50 cumulative GPA standard.

CHAPTER

A chapter is defined as any social, fraternal organization with the appropriate tax exemption status or under the FSL jurisdiction at UT. FSL encourages chapters to be above the all-male/all-female undergraduate semester and

cumulative GPA. Chapters are required to maintain a minimum 2.85 semester GPA. Chapters should refer to the Academic Status section to understand the different academic standings levels.

GRADE REPORTS

Whether potential, new, or active, all members must have a signed grade release waiver on file with FSL. Older members (before Fall 2017) should have a paper copy on file, while newer members need to use the "Fraternity & Sorority Life New Membership Card" on Qualtrics to complete the grade release. If an FSL student does not have a signed grade release on file, their grades will still count toward the total chapter GPA, but the individual GPA will be blocked on the chapter grade report until the student submits the "Fraternity & Sorority Life New Membership Card."

It is important to note that grade reports will only be released to chapter presidents, council presidents, and chapter scholarship chairs (if the information is on file). FSL will not release any grade reports to individuals who do not attend or work at The University of Tampa. Grade reports are typically compiled two weeks after the semester ends. FSL will strive to get reports sent to chapters before the next semester. FSL will only run grade reports for the fall and spring academic semesters. FSL will not run a grade report for classes between the end of the spring semester and the start of the fall semester.

CHAPTER GRADE REPORT

The chapter grade report is an individualized report that lists all members of the chapter when the report was queried. The chapter grade report includes student information, grades, chapter semester, and cumulative GPAs. This report's data is pulled from an official University system that calculates the grade reports. A chapter may request one grade recalculation per semester if they feel the grades are not correct.

COUNCIL GRADE REPORT

The council grade report is an individualized report that highlights chapters that fall under specific councils. Sections include overall chapter standings, average active member grades, and the average of new member grades with other essential data about the community. This report helps councils and their respective chapters see information specific to their council.

COMMUNITY GRADE REPORT

The community grade report is a compilation of all FSL social fraternal organizations' semester grades in rank order (highest semester GPA to lowest). This report will be published on the FSL website, and organizations may use it for inter/national reporting purposes. Each organization's academic statuses will be shown, and facts and figures about the FSL community. To be compliant with FERPA regulations, chapters with three or fewer members will not have their academics shared and will not be in rank order on the report. Any changes due to chapter grade recalculations would not be reflected on the community grade report.

ACADEMIC STATUS

FSL encourages chapters and their members to exceed any academic expectations set forth by chapter, council, community, and inter/national policies. While it is recommended that chapters exceed the all-male/all-female semester GPA each semester, social fraternal organizations must meet the 2.85 semester GPA minimum to be in good academic standing.

ACADEMIC GOOD STATUS

This academic status provides continued rights and responsibilities to all our recognized fraternities and sororities. This status is given to chapters that meet the 2.85 semester GPA minimum. No action is required, and the chapter should continue to strive for academic excellence.

ACADEMIC MARGINAL STATUS

This status is given to chapters that fall below the 2.85 semester GPA minimum (but above a 2.50) but were in “Good Status” the previous semester. Chapters in this status are subject to the following outcomes:

- FSL staff will notify the chapter president, scholarship chair, and on-campus advisor regarding the organization's status.
- Develop and submit the chapter’s academic success plan to FSL staff in the first three weeks of the semester in which they are sanctioned. An academic success plan is a comprehensive plan that will be implemented into the chapter to meet the minimum scholarship requirements. Please meet with the Academic Success Center (aep@ut.edu) to create an academic success plan.
- Meet with the FSL staff and the scholarship chair of the governing council in which the chapter falls to discuss the academic success plan within one week after the academic success plan is submitted.
- The chapter will be required to complete **one** academic workshop facilitated by the Academic Success Center (contact the Academic Success Center, aep@ut.edu) with proof of outreach and completion submitted to the FSL staff. This workshop must be completed by midterms that same semester.

ACADEMIC WARNING STATUS

This status is given to chapters that fall below the 2.85 semester GPA minimum (but above a 2.50) for a second (2) consecutive semester **OR** if the chapter GPA falls below a 2.50 semester GPA in any one semester. This status is also given to chapters with a new member class/line semester GPA average of 2.50 or lower. Chapters in this status are subject to the following outcomes:

- FSL staff will notify the chapter president, scholarship chair, and on-campus advisor regarding the organization's status. Communication will also be sent to inter/national offices, the Vice President for Student Affairs/Dean of Students, and other appropriate collaborating departments on campus.
- Develop and submit the chapter’s academic success plan to FSL staff in the first three weeks of the semester in which the chapter is sanctioned. An academic success plan is defined as a comprehensive plan that the chapter will implement to meet the minimum scholarship requirements. Please meet with the Academic Success Center (aep@ut.edu) to create an academic success plan.
- Meet with the FSL staff and the scholarship chair of the governing council in which the chapter falls to discuss the academic success plan within one week after the academic success plan is submitted.
- The chapter will be required to complete **two** academic workshops facilitated by the Academic Success Center (contact the Academic Success Center, aep@ut.edu) with proof of outreach and completion submitted to the FSL staff. The workshops must be completed by midterms that same semester.
- The chapter will be under an events restriction, which means the chapter must get prior approval from FSL staff to host any events (including brotherhood/sisterhood events, semi-formals/formals, Theme Weeks, Signature Events, Fundraisers, non-alcoholic socials, alcoholic socials, community service, etc.).
- The chapter may only have one event with alcohol in the semester in which they are sanctioned.

ACADEMIC PROBATION STATUS

This status is given to chapters that fall below the 2.85 semester GPA minimum (but above a 2.50) for a third (3) consecutive semester **OR** if the chapter GPA falls below a 2.50 semester GPA for a second (2) semester. This status is also given to chapters with two consecutive new member classes/lines with a semester GPA average of 2.50 or lower. Chapters in this status are subject to the following outcomes:

- FSL staff will notify the chapter president, scholarship chair, and on-campus advisor regarding the organization's status. Communication will also be sent to inter/national offices, the Vice President for Student Affairs/Dean of Students, and other appropriate collaborating departments on campus.
- Develop and submit the chapter's academic success plan to FSL staff within the first three weeks of the semester in which they are sanctioned. An academic success plan is defined as a comprehensive plan that the chapter will implement to meet the minimum scholarship requirements. Please meet with the Academic Success Center (aep@ut.edu) to create an academic success plan.
- Meet with the FSL staff and the scholarship chair of the governing council in which the chapter falls to discuss the academic success plan within one week after the academic success plan is submitted.
- The chapter will be required to complete **two** academic workshops facilitated by the Academic Success Center (contact the Academic Success Center, aep@ut.edu) with proof of outreach and completion submitted to the FSL staff. The workshops must be completed by midterms that same semester.
- The chapter will be under an events restriction. The chapter must submit the proposed semester events calendar to FSL staff within the first two weeks of the semester in which they are sanctioned for approval. Any changes or additions to the proposed semester events calendar must be submitted in writing to FSL staff two weeks in advance.
- The organization may not have any alcohol events for the semester in which they are sanctioned.
- Eligibility for full recruitment/intake privileges will be determined following the FSL staff and chapter president's meeting.

ACADEMIC STATUS APPEALS

CHAPTER APPEALS

A chapter president or scholarship chair may appeal any decision made by the FSL staff related to the academic statuses and sanctions. This must be done in writing and submitted to the FSL staff within five (5) business days of grade reports being sent out (time stamp on the email with grade reports will be used). The appeal will be reviewed by the Associate Dean of Career Development and Engagement. The chapter president will be notified of the outcome in writing. The appeal outcome will be final.

COUNCIL EXECUTIVE BOARD APPEALS

A member of a council that is asked to resign due to not meeting grade minimum expectations may appeal any decision made by FSL staff or council. This must be done in writing and submitted to FSL staff and to the governing council within five (5) business days of status being sent out (time stamp on the email with grade reports will be used). The appeal will be reviewed by the Associate Dean of Career Development and Engagement. The outcome of the appeal that is submitted will be final.

CHAPTER EXECUTIVE BOARD APPEALS

FSL does not serve to receive appeals for chapter executive members who are asked to resign due to low grades. If a member of a chapter executive board wishes to appeal a decision made by their chapter, they must follow their regional or national guidelines and policies.

ACADEMIC AWARDS

Fraternity & Sorority Life recognizes chapters for their academic excellence during FSL Scholarship Banquet. The following awards will be presented:

- Outstanding Sorority GPA
- Outstanding Fraternity GPA
- Most Improved Chapter GPA

Individual members who are a junior or senior with a cumulative GPA above the all-Greek cumulative GPA are eligible to join Order of Omega (national honor society for Fraternity & Sorority Life members). FSL is creating more scholarship awards that will be added in the future.

**Note: The UT FSL Academic Policy was adapted and changed from the University of Connecticut Fraternity & Sorority Life*

ROCK GARDEN

The Fraternity & Sorority Life Rock Garden, located between Brevard Hall and the Dickey Health and Wellness Center, showcases current fraternities and sororities on-campus. Each recognized chapter is assigned a designated rock to serve as a visual representation of the chapter. All rocks in the garden are property of The University of Tampa purchased with Student Government funds. To continue to have the privilege of being represented in the Rock Garden, chapters must abide by the following policies.

ROCK ASSIGNMENT

Each chapter will be assigned a specific rock by the Director and Coordinator of Fraternity & Sorority Life. Each chapter may only paint and make changes to its designated rock. The assigned rock may not be moved to another location at any time, and no other rocks or other objects are permitted in the Rock Garden.

TIME TO PAINT/MAINTENANCE

Rocks may only be painted or updated twice per year, once at the beginning of each fall and spring semester. Rocks can only be painted or updated during the first fourteen (14) days of each semester, starting on the first day of class. In addition, rocks may only be painted between 9:00 AM and 8:00 PM Monday-Friday during each fourteen (14) day period. Rocks may not be painted, touched, or redesigned outside of that time frame.

MATERIALS

Rocks may only be modified by brush on exterior painting. Rocks may not be altered through etching, carving, glittering, spray painting, or adding any additional object or material to the rock's surface or surroundings. When using paint, chapters must provide and utilize enough tarp or newspaper to cover the full circumference of the area surrounding their rock and push all adjacent landscaping rocks away from the rock being painted to avoid painting the landscaping rocks or other chapter rocks.

PAINT REQUIREMENTS

Chapters are welcome and encouraged to design their rock to showcase the organization's personality. Each rock must include the chapter's letters or written name at a minimum. No profane, vulgar, or offensive language or images are permitted on any rock. Chapters must turn in a rendering and description of any proposed design or update of the rock to the Director and Coordinator of Fraternity & Sorority Life at least five (5) business days before the planned day of painting. All designs are subject to approval by the FSL staff; unapproved designs will be sent back to the chapter

for edits and resubmission. Chapters should plan to perform routine maintenance and touch-ups on their assigned rock at least once per year. Fraternity & Sorority Life staff can request maintenance of any rock at their discretion.

NON-COMPLIANCE

Any chapter not in compliance with any of the stated rock policies may lose the privilege of being represented in the Rock Garden and is potentially subject to the conduct process. Any rock not designed in compliance with these policies will be painted over by the Fraternity & Sorority Life staff without notice.

FSL AMBASSADORS

To assist in the education, marketing, and communication efforts of the FSL community, the FSL Ambassadors, under the leadership of the FSL student coordinators, will serve as trained representatives of the entire FSL community. Ambassadors are responsible for assisting in FSL marketing and recruitment efforts, facilitating educational programs for their peers, and serving as liaisons between the Fraternity & Sorority Life and all FSL members. Student coordinators and FSL staff may add more responsibilities as deemed necessary.

ELIGIBILITY

FSL Ambassadors will be selected through an interview process by FSL staff each spring semester and will serve a year-long term (May- April). Active fraternity and sorority members initiated for at least one semester and have a cumulative GPA of 2.75 or higher are eligible to apply. Ideal candidates should demonstrate ethical decision-making, leadership potential, and commitment to the betterment of fraternity and sorority.

EXPECTATIONS

FSL Ambassadors. Ambassadors are expected to uphold the values of Fraternity & Sorority Life while performing their assigned duties, while on campus, and at all other times. Failure to maintain these values, satisfactorily complete tasks, or attend required meetings may result in suspension or dismissal from the position. All disciplinary measures will be determined at the discretion of the student coordinators with approval from the Coordinator of Fraternity & Sorority Life.

EVENTS

All events in the FSL community at The University of Tampa must be submitted to FSL and be reviewed before the event occurs. FSL is using an event notification process in InvolveUT) to review submitted events. To submit an event notification, log into InvolveUT. You need to be an organization administrator to submit events. ***This process is different for fundraising events. See the section on fundraising below.*

Factors that may make it more likely for an event to be deemed a fraternity or sorority event are, but are not limited to:

- If the event is announced at a student organization meeting
- If t-shirts are made for the event
- If officers of the organization have knowledge or have planned the event
- If it takes place before or after an official organization event
- If it takes place at an establishment that is associated with the organization
- If it is a recruitment event
- If pictures found on the internet (Facebook) suggest organization involvement

- If there is a clearly followed theme to the event which suggests coordination

No organization may hold events during the first two weeks and last two weeks of the semester (FSL Blackout Dates). In addition, events may not occur during official University closures, holiday breaks, and semester breaks. Only official chapter business (chapter meetings, executive board meetings, etc.) may occur during this time. [Please visit the FSL Calendar for more details on FSL Black Dates.](#)

All events must be submitted in InvolveUT **10 business days before the event start date and time** to allow for FSL staff review. There will not be any exceptions to this rule unless prior permission was granted by the Director or Coordinator of Fraternity & Sorority Life.

NON-ALCOHOLIC EVENT TYPES

- **Signature Events** - A non-alcoholic philanthropic event with an educational aspect. It may be co-sponsored with another FSL organization.
- **Theme Week (UGC Only)** - A non-alcoholic week-long event dedicated to philanthropy, education, and service for UGC chapters.
- **Fundraiser** - A non-alcoholic event to raise money for philanthropy or a chapter. *Chapters must register all fundraising events using CrowdChange.* FSL's webpage for CrowdChange is <https://ut.crowdchange.co/>
- **Brotherhood/Sisterhood/Memberhood** – A non-alcoholic event that is for chapter members only meant to create stronger bonds.
- **Community Service Event** - A non-alcoholic event meant to give back and service the community.
- **Recruitment/Intake** - A non-alcoholic event meant to promote or recruit potential new members for a fraternity or sorority. ***Recruitment/intake events must occur on-campus or at a licensed and insured third-party vendor or in a public park. No residential houses (private or public), apartment complexes, condos, etc., can be used for recruitment/intake events.***
- **Chapter/Council Meeting** - A non-alcoholic event meant to bring chapter/council members together for a meeting to discuss chapter/council-related things, including exec board and chair meetings.

EVENTS WITH ALCOHOL

Fraternity & Sorority Life is committed to providing an environment that includes policies and educational elements to encourage responsible choices for the use or non-use of alcohol for those of legal age and actively encourages low-risk alcohol use for those who choose to consume alcohol. Further, the University believes in the importance of alcohol education programs for all university community members.

This protocol and policy apply to all social fraternities and sororities that hold events on or off-campus events. All chapters wanting to have an event with alcohol must also notify their alumni/graduate/off-campus advisor before submitting the request.

EVENTS WITH ALCOHOL DEFINITIONS

- **Third-Party Vendor (TPV)**- An event with alcohol present hosted by an FSL chapter(s) at a licensed, insured, and bonded establishment that serves alcohol. Semi-formals/formals would fit under this event type.
- **Bring Your Own Beverage (BYOB)** – An event with alcohol present hosted by an FSL chapter(s) at a private venue or rented space where members and guests supply and consume their own alcoholic beverages.

EVENTS WITH ALCOHOL POLICIES

Policy Statements/ General Guidelines

- All students in fraternities and sororities at The University of Tampa must observe the Student Code of Conduct, Fraternity & Sorority Life policies, federal laws, state laws, local laws, and city ordinances.
- Fraternity and sorority chapters should host alcohol events following their national organization's applicable policies. Fraternities and sororities must abide by the more stringent policy, should their national organization's policies differ from those of Fraternity & Sorority Life.
- All fraternity and sorority chapters should comply with NIC Alcohol and Drug Guidelines (accessible at <https://nicfraternity.org/nic-alcohol-drug-guidelines/>) including but not limited to:
 - **Alcohol service**- alcoholic beverages must follow either the Third-Party Vendor or BYOB guidelines.
 - **Common source alcohol**- Common sources of alcohol, including bulk quantities, kegs, party punch, etc., which a licensed and insured third-party vendor is not serving, are prohibited.
 - **Chapter funds**- Fraternity and sorority funds such as money gathered from membership dues or student activity fees cannot be used to purchase alcohol. Additionally, admission fees may not be collected to supply alcohol or event materials.
 - **Co-sponsorships**- a chapter/organization may rent a bar, restaurant, or other licensed and insured third-party vendor to host a chapter/organization event, but a chapter must not co-host or co-sponsor, or in any way participate in, an activity or event with another group or entity that purchases or provides alcohol OR co-host or co-sponsor an event with a bar, event promoter or alcohol distributor.
 - **Guestlist/ open parties**- Attendance by non-members at any event where alcohol is present must be by invitation only, and the chapter/organization must utilize a guest list system. Attendance at events with alcohol is limited to a 3:1 maximum guest-to-member ratio and must not exceed local fire or building code capacity of the chapter/organizational premises or host venue. Events with alcohol should never have unrestricted access by non-members.
 - **Drinking games**- members or guests must not permit, encourage, coerce, glorify, or participate in any activities involving the rapid consumption of alcohol, such as drinking games.

Alcohol Service

- **Third-Party Vendor Distribution**- Alcohol must be provided and sold on a per-drink basis by a licensed and insured third-party vendor. All members and guests 21 and over must be clearly marked (wrist banded or permanent identifying hand mark) by a sober monitor or outside security before entering the venue and must always have this mark when consuming or purchasing alcohol.
- **BYOB Distribution**- Alcohol must be brought by individual members and guests and distributed through a predetermined BYOB system. Alcohol at BYOB events must be at or below 15% alcohol by volume (ABV). For guidelines and best practices on setting up a compliant BYOB system, see the FSL BYOB Event Planning Guide or visit <https://www.holmesmurphy.com/fraternal/resources/resources-sororities-fraternities/>.
- **Food & Non-alcoholic beverages**- Fraternities and sororities must provide non-salty foods and non-alcoholic beverages to all guests and participants at any event with alcohol.

Transportation

Fraternity & Sorority Life does not require the hosting organization to provide transportation. However, it is strongly recommended that the hosting organization provides a safe option for members and their guests to utilize for any event with alcohol. Below are just some options for transportation that may be considered:

- **Bus-style transportation-** Chapters may contract with licensed and bonded companies to utilize buses, trolleys, limousines, or charters, to transport members and guests to and from an event venue. All bus-style transportation should pick up and drop off for the event on campus. Bus-style transit should be the main form of transportation for all formal and semi-formal events.
- **Uber for Business-** Chapters may utilize Uber for Business to transport members and guests to and from events with alcohol. The chapter must have an Uber for Business account registered through the Fraternity & Sorority Life and provide access to their unique event code to each member and guest on the guest list. If not utilized appropriately, as determined by the Fraternity & Sorority Life, the privilege of using this transportation method may be revoked.
- **Group Escort-** If a chapter is hosting a social event at a venue 1 (one) mile or less from campus, the chapter may request to walk to the venue with an escort from an official insured security provider. Confirmation of escort agreement must be provided when registering the event. Groups must leave from campus and be escorted to and from the event venue.

Sober Monitors

Sober Monitors are crucial in the safety of all members and guests at events where alcohol is present. All organizations wanting to have alcohol events must have sober monitors that are a balanced mixture of active and new members of the sponsoring organization. The sober monitors and organizational leadership's duty are to ensure members behave appropriately and intervene when members become too intoxicated or rowdy at events with alcohol.

A sober monitor should be at the venue's entrance, ensuring that only individuals on the guest list are admitted to the event. The sober monitor and security (if hired for the event) are responsible for not allowing intoxicated persons into the event. Sober monitors are to remain completely sober before, during, and after the event. Sober monitors are required at all events with alcohol and any semi-formal or formal (whether wet or dry).

- **Training-** All active and new fraternity and sorority members are eligible to be trained sober monitors. Sober monitors must be trained once an academic year, and training is valid for the entire academic year (August-May). Training for sober monitors takes place through an online module called Everfi, and members that wish to be a sober monitor must be trained before submitting the event notification form in InvolveUT. Students wanting to be a sober monitor must respond to the email from Everfi (software company we contracted for sober monitor training) to set up an account. Sober monitors must complete the training before the official event with alcohol paperwork is submitted to the Fraternity & Sorority Life.
- **Requirements-** Each fraternity and sorority are responsible for supplying sober monitors for events with alcohol or semi-formals/formals. In the event two organizations are co-sponsoring an event with alcohol, each chapter must cover their sober monitors for their members. Sober monitors must be active members of the hosting chapter(s).
Events with alcohol must have one sober monitor for every 25 guests/members in attendance.

Time & Place Restrictions

- **Date restrictions-** No organization may hold an event with alcohol during the first two weeks and last two weeks of the semester. In addition, events with alcohol may not occur during official University closures, holiday breaks, and semester breaks. Alcohol is forbidden at initiation and recruitment events.

- **Venues-** All venues used must be used respectfully and left in the condition it was found. If damage occurs, referrals will be made to the Office of Student Conduct. Venues used must be a licensed third-party vendor with the state of Florida and have updated licenses.
- **Events on Boats-** Fraternities and sororities may only use the Yacht Starship Company located in the Channelside District of Tampa for events with alcohol on boats.

Notification & Documentation

All events with alcohol (TPV and BYOB) must be submitted in InvolveUT. When a fraternity or sorority submits an event notification form in InvolveUT, they will be asked to provide event management plans, prevention, and crisis management plans, and other details to ensure safety requirements will be met. In addition, the sponsoring fraternity or sorority must submit a guest list to Fraternity & Sorority Life via email 24 hours before the start of the event or the closest business day should the event occur on the weekend.

OTHER FSL POLICIES

COVID 19

Fraternity & Sorority Life (FSL) is committed to creating a positive and safe experience for all students. With the ever-changing environment of COVID19, we recognize programs and outcomes may need to shift to a virtual setting. FSL will provide an enriching and meaningful experience to the best of our ability.

All councils, chapters, and members must adhere to and follow all CDC, University, local, and state guidelines related to COVID19 until further notice.

ACCREDITATION PROCESS

Fraternity & Sorority Life will be implementing a chapter accreditation process soon. We will update this section to reflect that process.

FSL DUES & FEES

Chapters in the FSL community will be invoiced for FSL dues and fees. Each member is only charged once (1 time) per academic year for FSL membership dues at the rate of \$5. Fees (penalties) are charged to chapters for failure to participate in events if the requirement is stated before a community event. Fees will be included on all FSL event summaries that each chapter president will receive at least two weeks in advance. Fees are determined and set by the Director or Coordinator of Fraternity & Sorority Life. Chapters are responsible for paying dues/fees to FSL. Updated rosters on file with FSL are used to determine dues/fees.

The preferred method of payment is a US bank or debit card. If paying by check, please make it out to "UT Fraternity & Sorority Life" and turn it into the Fraternity & Sorority Life by 5:00 PM on the due date on the invoice to avoid any late fees. If payment is not received by the due date on the invoice, a 20% late fee of the total cost will be applied. NO CASH payments will be accepted. Extension of payment due date is up to the discretion of the Director or Coordinator of Fraternity & Sorority Life.

Invoices will be sent out in October and March of each semester using PayPal to the chapter president's UT Spartan email address or the email address we have on file.

INITIATION

All new members that accept a bid or membership into a fraternity or sorority at The University of Tampa must be initiated in the same semester in which they received a bid or membership. If a chapter cannot meet this

requirement, the chapter president must immediately contact the Director or Coordinator of Fraternity & Sorority Life. Should the chapter fail to notify the Director or Coordinator of Fraternity & Sorority Life promptly (before finals week in both semesters), the chapter will be sanctioned. It is up to the FSL staff's discretion to determine the sanctions' length and scope.

CERTIFICATE OF LIABILITY INSURANCE (COI)

All fraternities and sororities at The University of Tampa must provide a certificate of liability insurance (COI) with a minimum of \$1 million per occurrence limit in commercial general liability insurance annually. It should name The University of Tampa 401 W. Kennedy Blvd, Tampa, FL 33606 as the certificate holder with the additional insured endorsement of "The University of Tampa and its employees, officers, and agents are additional insureds on the above-listed insurance policies, excepting the workers' compensation policy."

ATTENDANCE POLICY

For all FSL sponsored mandatory educational events, chapters will be required to send the following number of participants according to the number of chapter members. The number of chapter members will be based on the official chapter roster housed within the Fraternity & Sorority Life (FSL) pulled in October for the fall semester and February for the spring semester. Once set, the roster number will stay the same until the next semester. FSL professional staff reserves the right to adjust on a case-by-case basis if the organization contacts the staff member at least five business days before the required event. However, if it is identified that an organization is habitually taking advantage of this system, the request may be denied.

REQUIREMENTS

Chapters with:

- **Ten or fewer** active/new members: 1 member per event.
- **11-20** active/new members (including but not limited to study abroad members, internship members, etc.): 2 members per event.
- **Twenty-one or more** active/new members (including but not limited to study abroad members, internship members, etc.): 15% of total active/new members (including but not limited to study abroad members, internship members, etc.) must attend per event. [number should be rounded to the last whole number, i.e., 12.15 would round to 12; 19.75 would round to 19].
 - The number must include more active members than new members. No exceptions.

PENALTY

For every member short of a chapter's expected attendance, that number of members must attend a similar educational event and provide evidence to FSL of the completed educational event. This requirement could be satisfied by attending a community or campus workshop or seminar or meeting with a campus expert/resource center. The evidence of completion is due to the FSL within three weeks of the original event or before final exams (whichever comes sooner). Proof of completion may include pictures, documentation of attendance, the contact information of professional putting on the event, etc.

- Example: The chapter is required to send six members and only sends 4 to a leadership development event. Two (2) members of the chapter are now required to attend a related campus workshop or meet with a staff member in the Office of Student Leadership and Engagement about leadership strategies or resources available to them.

If this penalty is not completed by the stated deadline, a fine of \$50 per missing member will be assessed to the chapter.

FSL STATUS INFORMATION

In keeping with The University of Tampa's (UT) stated mission of commitment to each student's development as a productive and responsible citizen, Fraternity and Sorority Life (FSL) publishes the academic and conduct status of all fraternity and sorority chapters. In addition to publishing academic and conduct statuses, FSL will also publish updated information on community service hours, philanthropy dollars raised, and membership statistics for each chapter. FSL publishes this information to assist students and families in making informed decisions regarding FSL membership. To view the current status information, please go to <https://www.ut.edu/campus-life/fraternity-and-sorority-life/fsl-status-information>. This information is updated in real-time.

- **Current fraternity and sorority status** are a list of active fraternities and sororities and their academic and conduct statuses.
- **Suspended fraternities and sororities** are those that have been suspended from campus due to violation(s) of the UT Student Code of Conduct or have been formally separated from the University; these fraternities and sororities are currently not permitted to operate on UT's campus and cannot associate themselves with the University in any capacity.

NEW MEMBER EDUCATION

Chapters must submit a detailed new member education plan/calendar to the Director or Coordinator of Fraternity & Sorority Life with dates, times, and location of events associated with new member education before any new member education processes can begin. All new member education events must occur on campus and need to conclude by 11:59 PM eastern/standard time each day.

CHAPTER MEETINGS

Chapters and councils are required to conduct official meetings and business on campus. All chapters and councils must prove that they hold their weekly meetings on campus and submit this in InvolveUT. The University of Tampa FSL community does not allow for chapters to hold any events off-campus unless notification was sent via InvolveUT for FSL staff to review first.
